FOUNDER'S DAY (5/8/25)

It's a day to reflect on the school's legacy, foster a sense of community, and inspire students to contribute to its future.

Founders' Day serves as a reminder of the individuals who established the institution and their vision for its future.

SHRAMDAAN

(8-8-2025)

Teaching and practicing Swachhata in schools helps instill lifelong habits of hygiene and cleanliness, contributing to a healthier society.

Cleanliness in schools, including proper sanitation and hygiene practices, helps prevent the spread of infections and diseases like diarrhea and respiratory illnesses.

JANMASHTAMI

(13/8/25)

Independence Day

(14/8/2025)

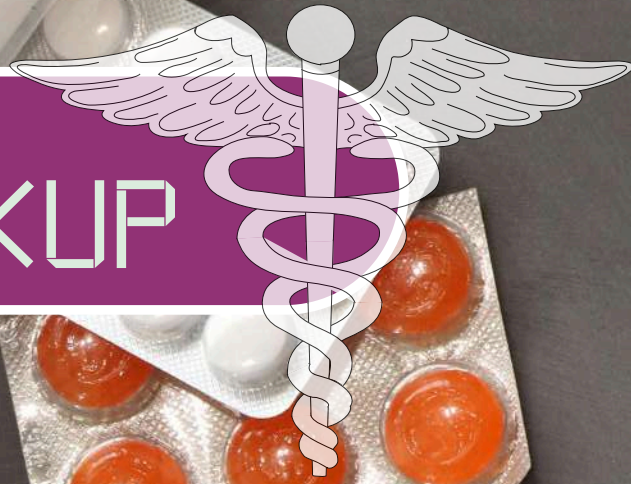

It's a day for schools to instill a sense of national identity and encourage students to contribute positively to the nation's future.
